IMPOSTOR/WARNING

BECKY A. SANDEFUR: Becky A. Sandefur applied for employment with a doctor's office in San Antonio, Texas, and worked as an Administrative Office Manager from April 5, 2001 through April 19, 2001. Ms. Sandefur signed RN after her name on a cover-letter that she submitted to the doctor. Ms. Sandefur also included a resume on which she indicates that she is an RN, MSN. Ms. Sandefur was terminated from employment after the doctor's office was unable to verify licensure and Ms. Sandefur admitted that she was not licensed.

JERRY GRANT MITCHELL: Jerry Grant Mitchell worked as a registered nurse in the position of Clinical Case Manager and Advanced Practice Nurse, at a hospital in the Dallas, Texas area, from November 8, 1999 to April 27, 2001. Mr. Mitchell did not hold a license to practice in the State of Texas and his license in the state of Tennessee had been revoked in 1995. The hospital police referred the case to the district attorney's office in Dallas County and they are pursuing criminal charges.

STEPHANIE A. WATSON: Stephanie A. Watson was employed by a school district as a nurses aide from September 2000 through May 2001. During her employment, she represented herself as a registered nurse and a Family Nurse Practitioner, and used the abbreviations RN and FNP after her name on letters to parents. Ms. Watson has never been licensed as a registered nurse in any jurisdiction. Ms. Watson is a student enrolled in a nursing program.

Notice of Disciplinary Action for October 2001

SHERRILL L. NEVINS a.k.a. SHERI LYNN COON: Sheri Lynn Coon applied for a position as a registered nurse in the operating room at a hospital in Hereford, Texas on February 20, 2001. Ms. Coon was instructed to appear on March 12, 2001 for license verification and salary negotiation, however she did not show up. The facility had gotten an anonymous phone call from a male informing them that Ms. Coon was not a registered nurse. The facility contacted the university listed in the employment application and verified that Ms. Coon did not have a degree in nursing. The facility tried verifying a license number provided by Ms. Coon and it did not match, therefore she was not hired.

STEVEN MEYER: Steven Meyer applied for an LVN position at a hospital in Austin, Texas and was hired on February 19, 2001. Mr. Meyer was asked to bring his license in for verification and he presented a registered nurse license which had been tampered with. The staff member verifying the license called the LVN Board and was informed that the number on the license was not one of their numbers. The license presented by Mr. Meyer read "Board of Nurse Examiners" at the top and the staff member verifying the license stated it was a registered nurse license. Mr. Meyer was terminated on March 6, 2001, for presenting a false license. The case has been referred to the Travis County District Attorney's office.

RONALD CHAIRES: Ronald Chaires worked as a clinical assistant in the ICU of a hospital in Austin, Texas, for three years. Mr. Chaires then told his supervisor that he would graduate with an Associate Degree in Nursing from Austin Community College in December 2000 and wanted to work as a Graduate Nurse. Mr. Chaires applied and was hired as a Graduate Nurse with a start date of January 15, 2001. Mr. Chaires was required to bring a letter from the Board of Nurse Examiners office verifying his graduate nurse permit. On March 2, 2001 Mr. Chaires was told to go to the Board office and bring a letter, he told them that he could not take the licensure examination because the nursing school messed up on some of his credits. The Clinical Manager called the school and was told that Mr. Chaires was not graduating in December 2000. On March 8, 2001, the supervisor met with Mr. Chaires and he admitted to the falsification, he was terminated from employment. The case was referred to the Travis County District Attorney's office.
