## LVN EXAMINATION REQUIREMENTS

Application requirements for a Texas LVN license by Examination are as follows:

- **A COMPLETED LVN EXAMINATION APPLICATION;**
- **FEE OF \$100.00;**
- **A CRIMINAL BACKGROUND CHECK (CBC)** and review of any/all eligibility issues (if applicable);
- **NURSING JURISPRUDENCE EXAMINATION (NJE)**
- **REGISTRATION WITH PEARSON VUE**
- **PROOF OF GRADUATION**
- **(the BON also requires a verification of license (VOL) for Foreign Educated Nurses)**

## GENERAL INFORMATION

The information below will assist in completing the application as well as following through with the above mentioned requirements for licensure in the State of Texas.

- It is recommended that a completed Application by NCLEX-PN<sup>®</sup> Examination and fee be submitted to the Board **120 days prior to your graduation date.**
- An incomplete application could delay approval for the authorization to test, GVN permit (if applicable), or permanent license.
- **The application is not complete until all required documentation and fees are received.** An incomplete application will delay final approval of the application. **All documents become a permanent part of your file and will not be returned.** Applications are reviewed in date order received. Be sure to answer all questions honestly. The Texas Board of Nursing may deny your application if you provide false information on your application.
- An application and payment are considered to be active for up to **one year** from the date of receipt in the Board's office per our Records Retention Policy. All licensure requirements must be met within that year's timeframe or the application and payment will be considered null and void. Should this occur, a new application and payment would need to be submitted; and the applicant will need to meet all requirements in effect at that time.
- By signing the application by NCLEX-PN<sup>®</sup> Examination, you are also acknowledging that you have read and understood the Texas Nursing Practice Act (NPA) and the Rules and Regulations that govern licensure in the State of Texas. To obtain a copy of the NPA and the Rules and Regulations, visit the Board web site at [www.bon.texas.gov](http://www.bon.texas.gov).
- Processing time to be reviewed for an authorization to test (ATT) is within ten business days of the BON receiving the last item to complete an application.
- Applicants are encouraged to check the status of their applications online at <https://www.bon.texas.gov/olv/applstatus.html>

## SECTION A - APPLICANT INFORMATION

- Write or type your information on the Examination application. **The application will be accepted only if the information is LEGIBLE.** Illegible applications may cause a delay in processing and/or may result in the BON being unable to communicate with you properly (i.e. illegible address or email address.)
- Provide **YOUR** current address. Providing an address in a compact state or a staffing agency's address may cause a delay in processing. (See Section D – “Nurse Compact Declaration” of the instructions for more information.)
- Although the Board typically sends correspondence by mail, providing an email address and/or phone number will help facilitate communication with our office.
- The Social Security Number (SSN) provided must have been issued by the United States Social Security Administration. Canadian social insurance numbers and other numbers are not accepted. Leave this part blank if you do not have a U.S. issued social security number. Although an SSN is not required for permanent licensure in Texas, providing **false** information in this section WILL cause a delay in processing.
- Provide the name and location of the basic VN/PN nursing school attended as well as your entry date, graduation date, and NCSBN Program Code. A listing of school codes may be accessed at [https://www.ncsbn.org/NCLEX\\_Educational\\_Program\\_Codes.pdf](https://www.ncsbn.org/NCLEX_Educational_Program_Codes.pdf)

## SECTION B – LICENSURE INFORMATION

Questions 1-4 of this section relate to previous NCLEX testing attempts and previous licensure.

Question 1 should be answered by all NCLEX applicants and refers to any previous testing attempts in Texas or any other US state or US territory.

Questions 2-4 should be answered by all foreign educated applicants. Applicants should list **any and all** countries for which they are authorized to practice nursing. Answering these questions accurately will help staff determine if an applicant is eligible for the NCLEX.

## SECTION C -ELIGIBILITY QUESTIONS

**If you answered yes to questions 1-5 of the Eligibility Questions on page 2, you must provide the Board with the following information:**

\*QUESTION #1. The Board has determined that criminal behavior is highly relevant to an individual's fitness to practice nursing. Therefore, all criminal convictions or deferred orders, prosecution, or adjudication-a determination by a court that is withheld or delayed for a specific time period, must be reported to the Board. This question includes offenses under the law of another state, federal law, or the Uniform Code of Military Justice that contains elements of criminal conduct. SUBMIT a personal letter of explanation describing each incident, the behavior that led up to the criminal order and your conduct since the order, and any rehabilitative efforts that have been performed since the order. The document must be signed and dated. In addition, SUBMIT the following documentation for **all** felonies, **all** misdemeanors, and all military actions:

Certified copies  
of:

1. charges (indictment, information, or complaint);
2. disposition of charges (Judgment, Order of Probation, Sentence, and/or Deferred orders); and
3. evidence that the conditions of the court have been met.

(To obtain this documentation, contact the county clerk in the jurisdiction where the order was issued for misdemeanors; district court clerk for felonies. If the record does not exist, you must obtain a statement from that

court that the document has been destroyed or could not be located.)

You may answer “NO” to the question of prior convictions only if you: (a) received a pardon; or (b) were adjudicated as a minor without a finding of “delinquent conduct”. If you were ever required to register as a sex offender, you must answer “YES”.

If you have questions regarding the outcome of any criminal matter, consult your attorney.

**\*QUESTION #2.** The Nursing Practice Act provides that a person’s conduct in violation of the Nursing Practice Act or rules of the Board may be considered as a factor in its deliberations regarding fitness to practice nursing. Therefore, if a licensee or applicant is the subject of a grand jury or governmental agency investigation, the information regarding conduct or behavior giving rise to the investigation may be relevant in determining a violation of the Nursing Practice Act or lead to the admissibility of relevant evidence of such violation. If you are the subject of a grand jury or governmental agency investigation, please SUBMIT the name and address of the investigating entity and an explanation as to the basis of the investigation.

**QUESTION #3.** The Board has determined that if any licensing authority has taken disciplinary action against a person for any reason, then those actions are highly relevant to an individual’s current ability to practice nursing in the state of Texas. If any licensing authority has refused to issue a license, revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a license, certificate, or multi state privilege held by you or previously fined, censured, reprimanded or otherwise disciplined you, SUBMIT the names and address of the licensing authority who has taken action and a letter explaining the background of the action. Additionally, SUBMIT certified copies of

1. formal charges or allegations supporting the licensure action;
2. final disposition of the licensing authority regarding those formal charges or allegations; and
3. evidence that the conditions of the licensing authority’s order or requirements have been met.

**\*QUESTION #4.** The practice of nursing requires current fitness. The Board has identified certain disorders which, if occurring within the last 5 years, may indicate a lack of fitness. The disorders are: schizophrenia and other psychotic disorders, bipolar disorder, paranoid personality disorder, anti-social personality disorder, or borderline personality disorder. If you have been diagnosed, treated, or hospitalized for any of the above illnesses within the last 5 years, which impaired or does impair your behavior, judgement, or ability to function in school or work, submit the following information that will allow the Board to conduct an individualized assessment of your ability to practice safely, competently, and without impairment to your professional judgment, skill, or knowledge.

1. A report, on letterhead, from your physician, psychiatrist, psychologist or counselor, sent directly to this office, that includes: your diagnosis; treatments rendered; including current medications; prognosis; cognitive, affective, and emotional stability and continuing after-care recommendations, including reasonable accommodations needed to safely practice nursing, if any; and,
2. Verification of compliance with aftercare recommendations.

Please be advised that a physical/psychological evaluation may be requested as part of your individualized assessment. The evaluation process is described in more detail at [www.bon.texas.gov/disciplinaryaction/eval-guidelines.html](http://www.bon.texas.gov/disciplinaryaction/eval-guidelines.html). The evaluation process could potentially delay consideration of your application. Therefore, the Board is providing advance notice of this possibility so that applicants may contact the Board to schedule an evaluation at the beginning of the application process. By doing so, the application should not be unduly delayed. An applicant is not required to contact the Board in advance of Board consideration of the application. The applicant may choose to wait for a specific decision by the Board that a specific evaluation is necessary. This information is being provided to put applicants on notice with respect to this potential requirement and afford the applicant the opportunity to expedite the process if he/she so desires.

**\*QUESTION #5.** The practice of professional nursing requires current sobriety and fitness. If you have been addicted to or treated for the use of alcohol or any other drug within the last five years, SUBMIT:

1. verification of treatment for substance abuse sent directly to the Board from the treatment center;
2. verification of compliance with aftercare recommendations;
3. evidence of continuing sobriety/abstinence, for example, current support group attendance and random drug testing results; and
4. a personal letter of explanation with sobriety date and plan for relapse prevention.

---

\*Pursuant to the Texas Occupations Code §301.207, information, including diagnosis and treatment, regarding an individual’s physical or mental condition, immoderate use of drugs or alcohol, or chemical dependency **and** information regarding an individual’s criminal history is confidential to the same extent that information collected as part of an investigation is confidential under the Texas Occupations Code §301.466.

### **ELIGIBILITY REVIEW TIMEFRAMES:**

The paperwork will be submitted for an initial eligibility review in the Operations Department within ten (10) business days of the receipt of the NCLEX application, NCLEX fee, **criminal background check results**, and all pertinent documentation as detailed above. This initial review can take up to 30 days.

If it is determined that the issue being reported to the BON meets the criteria for opening a case according to our current rules, you may be required to pay a \$150.00 review fee. Your file will be transferred to our Enforcement Department for additional review within ten (10) business days of the payment being received.

The time needed to complete an eligibility review by the Enforcement Department varies on a case by case basis. The process generally takes an average of 90 days to make a recommendation, provided the file contains all the needed information. If additional material is needed, you will receive such request by the Enforcement Staff. Upon completion of the eligibility enforcement review, your file will be returned to the Examination Department for continued processing.

The BON **will not** approve an applicant to sit for the NCLEX or for permanent licensure until a final decision has been rendered by either the Director of Operations or our Enforcement Department.

See the Criminal Background Check Instructions for more information regarding the criminal background check/fingerprinting process.

## **SECTION - D: NURSE COMPACT DECLARATION**

You must check one of the boxes for section D **and** fill in the blank where one is provided.

The Texas Board of Nursing entered into a Nurse Licensure Compact which allows nurses in Texas the privilege of practicing nursing in participating Compact states. As part of the process of initiating multi-state licensure, all applicants for licensure in Texas must declare their primary state of residence and all states where they intend to practice. Declaring a compact state other than Texas, and/or providing an address in a different compact state will cause your examination application to be questioned since you can practice in Texas on a declared compact state license (compact privilege). Providing a non-residential address (i.e. the address of a staffing agency) will cause a delay in processing. In addition, the BON reserves the right to seek clarification when needed.

Per Rule 220.2(b), primary state of residence is determined by the following documents and you may be requested to submit one or more to satisfy residency requirements:

- (1) a driver's license with a home address;
- (2) voter registration card displaying a home address;
- (3) federal income tax return declaring the primary state of residence;
- (4) Military Form No. 2058 - state of legal residence certificate; or
- (5) W2 from US Government or any bureau, division or agency thereof indicating the declared state of residence.

Note: Applicants should be providing their **current** information, not what their future address will be. Address changes made after an application has been submitted should be completed by using the Primary State of Residency form located on our website at [http://www.bon.texas.gov/pdfs/forms\\_pdfs/declaration\\_pdfs/declare-psr.pdf](http://www.bon.texas.gov/pdfs/forms_pdfs/declaration_pdfs/declare-psr.pdf)

For questions regarding the Compact or its impact on your potential nursing license, contact BON staff at (512) 305-6809 or e-mail via [webmaster@bon.texas.gov](mailto:webmaster@bon.texas.gov). General questions about the Compact language or the concept of mutual recognition of licensure can be obtained from the National Council of State Boards of Nursing website at <https://www.ncsbn.org/nurse-licensure-compact.htm>

## ATTESTATION/CONSENT TO RELEASE & USE OF CONFIDENTIAL RECORDS

Sign and date the attestation/consent on page 3.

Congratulations – you’ve successfully completed the application and are well on your way to potentially joining the State of Texas nursing family!

**READ THROUGH THE REST OF THE INFORMATION BELOW WHICH WILL PROVIDE YOU GUIDANCE WITH COMPLETING THE EXAMINATION PROCESS.**

### PAYMENT METHOD

The application fee is \$100 payable by check, cashiers check, or money order. Check must be drawn on a U.S. Bank, U.S. Money Order, or Canadian Postal Money Order drawn on U.S. dollars (Canadian funds not acceptable), and be made payable to the Texas Board of Nursing - **DO NOT SEND CASH. *The fee is non-refundable.***

Note: The Board is unable to process checks and/or money orders made out for more than one application. Furthermore, submitting an application and payment at separate times will delay processing.

### CRIMINAL BACKGROUND CHECK

Effective 2004, a criminal background check report (CBC) is required for applicants for licensure in Texas.

The CBC:

- is based on the set of fingerprints you provide to MorphoTrust;
- completed through the Texas Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI);
- results are sent directly to the BON by DPS and FBI;
- cannot be sent by the applicant;
- cannot be results that were completed for another facility

The following information will assist you in submitting the required fingerprints:

#### **Applicants residing in Texas:**

Read the instructions below for ‘Applicants residing in Texas’ to schedule your electronic fingerprint submission.

Note: MorphoTrust (IdentoGO) cannot transmit electronic submissions from MorphoTrust sites located outside the state of Texas. If you are located outside the State of Texas then follow the directions below.

#### **Applicants residing outside Texas:**

Read the instructions below for ‘Applicants residing outside Texas’ to obtain, register, and mail your fingerprint card to MorphoTrust.

#### **Applicants that do not have a U.S. issued social security number:**

Read the instructions below for ‘Applicants without a social security number’ to obtain, register, and mail your fingerprint card to MorphoTrust.

NOTE: Occasionally DPS and/or the FBI will notify the BON that the fingerprints submitted through MorphoTrust were not usable and/or readable and therefore have been rejected. You will be notified that a rejection has been received and another set of fingerprints is required. The BON can only submit a request to initiate a name search on your behalf if our office has received two (2) quality rejections from the FBI within the past year. A rejection for any other reason (i.e. smudging, impressions too light etc.) will not count towards this requirement.

## NURSING JURISPRUDENCE EXAMINATION (NJE)

Effective September of 2008, all applicants for initial licensure in the state of Texas must take and pass the Nursing Jurisprudence Examination (NJE) prior to issuance of a permanent license. (Rule 217.17)

### **THE NJE IS:**

- an examination based on the Texas Nursing Practice Act (NPA) and the Texas Board of Nursing Rules and Regulations;
- designed to cover information which will facilitate your practice in the state of Texas;
- a maximum of two (2) hours in length;
- “open-book” in nature in that you will have access to our website and other resource material while taking the test;
- available for 3 attempts within a 24 hour period (applicants must wait 24 hours if needing a 4<sup>th</sup> attempt)
- included in your endorsement application fee;
- **NOT the same exam as the NCLEX.**
- must be completed prior to receiving an Authorization To Test (ATT)

### **PREPARING FOR THE NJE:**

Although outside preparation is not required for this examination, both the Nursing Practice Act and the Texas Board Rules and Regulations may be viewed on our website by going to [www.bon.texas.gov](http://www.bon.texas.gov) and clicking on “Nursing Law and Rules”. In addition, a **voluntary** online jurisprudence prep course is available on the Board’s website at <http://www.bon.texas.gov/olv/je-course.html>.

### **ACCESSING THE NJE:**

Within ten (10) business days of the Board receiving the examination application and fee, your credentials will be added to our database which should grant you access to the NJE.

- Go to [www.bon.texas.gov/olv/je.html](http://www.bon.texas.gov/olv/je.html) and follow the instructions to log on and complete the examination.

The examination takes a maximum of two hours in length. You may attempt the NJE a total of 3 times within a 24 (twenty-four) hour period. You must wait a total of 24 (twenty-four) hours if additional attempts are required. The cost of the examination is included in your application fee.

You must pass the NJE before the Texas Board of Nursing can review your application for issuance of the authorization to test (ATT).

**Note: If you completed the NJE as part of the requirements for a different application/different license type, then the passing results can be used and will be transferred by staff at the time the new application is received and processed.**

## PEARSON VUE REGISTRATION FOR NCLEX-PN® EXAMINATION

The Board **cannot** approve you to take the examination or issue an online GVN authorization (if eligible) unless you have paid the \$200.00 NCLEX-PN® registration fee to Pearson Vue.

- The Board recommends that you register with Pearson Vue **one (1) month prior** to graduation or submitting the NCLEX examination application to the Board.

- Three registration options are available:
  - (1) Online at [www.vue.com/nclex](http://www.vue.com/nclex) using a VISA, MasterCard, or American Express credit card; or
  - (2) Over the phone by calling NCS Pearson 1-866-496-2539, Monday-Friday, 7 am to 7 pm, U.S. Central Standard time; or
  - (3) Third party registration (see candidate bulletin for more information) <https://www.ncsbn.org/1213.htm>
- A registration /payment is valid for one (1) NCLEX attempt

Make sure that you register for the NCLEX-PN<sup>®</sup> examination. Registering for the wrong test type will significantly delay processing. The Authorization To Test (ATT) letter (once approved by the Board) will come directly from the testing service. The ATT letter is only valid for 75 days and will not be extended under any circumstance. If you do not receive your ATT after you have been approved to take the exam, you must contact Pearson Vue to request another email.

### **NAME CHANGES:**

The name provided on your application and the name provided to Pearson Vue should match the name on the identification you will be using the day of your exam.

Discrepancies in the first and last name provided to Pearson Vue and your identification (i.e. driver's license, passport) may result in the applicant being counted as a "no-show" the day of the examination which would require the applicant to follow instructions for "retesting".

In the event that your name needs to be updated with the BON and/or Pearson submit the following to the Examination Department at [exam@bon.texas.gov](mailto:exam@bon.texas.gov) or (512) 305-7401 (fax):

- your name as it currently reflects in our system
- your updated name
- your date of birth
- a copy of the official document reflecting your true legal name change (i.e. marriage certificate, divorce decree, driver's license).
- a statement whether this needs to be updated only the BON or with the BON **and** Pearson Vue

The name change will be reflected within ten (10) business days of our office receiving the request.

## **SPECIAL ACCOMMODATIONS FOR THE NCLEX-PN<sup>®</sup> EXAM**

In compliance with the Americans with Disabilities Act (ADA), the Texas Board of Nursing provides reasonable accommodations for candidates with disabilities that may interfere with their performance on the National Council Licensure Examination for Registered Nurses (NCLEX-PN<sup>®</sup>). **Disability** is defined in the Americans with Disabilities Act as a "physical or mental impairment that substantially limits one or more of the major life activities of such individual; a record of such an impairment; or being regarded as having such an impairment." **Major life activities** means "functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, working." (28CFR35.104 - Nondiscrimination on the Basis of Disability in State and Local Government).

If you feel you may qualify to receive special accommodations for testing, download the "Special Accommodations" form off the web site at [https://www.bon.texas.gov/pdfs/forms\\_pdfs/initial\\_licensure\\_recognition\\_pdfs/nclex\\_special\\_accommodations\\_pdfs/SPECA CC.pdf](https://www.bon.texas.gov/pdfs/forms_pdfs/initial_licensure_recognition_pdfs/nclex_special_accommodations_pdfs/SPECA CC.pdf).

Registration with Pearson Vue must be in place **before** approved Special Accommodations can be added to the file. Candidates requesting accommodations will not be approved to take the NCLEX-PN<sup>®</sup> or receive an online GVN authorization until the special accommodations for testing have been approved by the BON.
